[redacted]

25X1A Chief of Station, [redacted]

Deputy Comptroller
Subobject Classification for Supplies, Materials and Equipment for Fiscal Year 1962

See paragraph 2, below.

25X1A6c [redacted] dated 22 June 1960

1. Reference dispatch requested your station to record and report procurement activity using the 830, 850, 860, and 870 subobject classifications for Supplies and Materials and the 930, 950, 960, and 970 subobject classification for equipment.

2. Headquarters has determined that the continued reporting of this subobject classification information by your station is no longer necessary. Accordingly, it is requested that your station discontinue such recording and reporting effective 1 July 1961 and follow the subobject classification coding for supplies, materials, and equipment applicable to Type I Accountable Installations set forth in [redacted] 25X1A
